## MOBILE APPLICATION DEVELOPER

New Delhi | lalitatal21@gmail.com | 9811988411

### SUMMARY

Aspiring Mobile Application Developer driven to contribute meaningful value to a forward-thinking organization by leveraging strong technical and database skills. Passionate about building high-performance, user-centric mobile applications while staying at the forefront of emerging technologies in the IT sector. Eager to take on challenging roles that foster innovation, continuous learning, and professional growth.

### TECHNICAL SKILLS

**Frontend** : Flutter, Dart, HTML/CSS, JavaScript

**Backend/Databases** : MySQL, MongoDB

**Tools** : Android Studio , Visual Studio Code, Postman

**Other Skills** : RESTful API Integration, Git / GitHub, Package Integration, Cross-Platform Optimization

### PROFESSIONAL EXPERIENCE

#### Junior Mobile Application Developer

**Aug 2024 - Present**

Nickicon Information Technology Pvt. Ltd.

Rohini, Delhi, India

- Developed **cross-platform** mobile applications using **Flutter SDK** and **Dart**, delivering performant, maintainable, and visually engaging apps across Android and iOS.
- Applied various **state management solutions** (Provider, Riverpod, Bloc, GetX, MobX) to build scalable and maintainable app architecture.
- Applied **responsive design principles** using **MediaQuery**, **LayoutBuilder**, and adaptive widgets to ensure fluid layouts across diverse screen sizes.
- Optimized **widget trees** and utilized **Flutter DevTools** and **Dart Analyzer** for improving app performance and debugging.
- Integrated **RESTful APIs**, and **packages** (Authentication, Realtime Database, Storage) to build scalable and data-driven applications.
- Implemented **offline storage** using **SharedPreferences**, ensuring smooth app operation without internet connectivity.
- Contributed to **package development and third-party library integration**, while optimizing performance for cross-platform compatibility.
- Used **Postman**, **Git** & **GitHub** for testing, version control, and collaboration in Agile/Scrum environments.

#### Intern

**Feb 2024 - July2024**

Nickicon Information Technology Pvt. Ltd.

Rohini, Delhi, India

- Developed and optimized mobile applications using **Flutter SDK** and **Dart**, enhancing app performance and user experience.
- Applied various **state management solutions** (Provider, Riverpod, Bloc, GetX, MobX) to build scalable and maintainable app architecture.
- Designed **custom UI components and animations**, improving user engagement and interface responsiveness.
- Ensured **responsive** design across multiple device sizes using tools like **MediaQuery** and **LayoutBuilder**
